

Discovery Science Center of Santa Ana wants you to be a part of our great team!

PROGRAM INSTRUCTOR

Part Time – Bilingual

Discovery Cube Los Angeles is a nonprofit organization dedicated to educating young minds, assisting teachers and increasing public understanding of science, math and technology through interactive exhibits and programs.

This is a part time position (up to 29 hours/week) that will report to the Program Coordinator for Futuros Radiantes/Bright Futures. This position requires the ability to maintain a flexible schedule and work in a variety of locations, with supervision from a distance. The Instructor will be subject to regular program observations and an individual achievement plan to be completed and regularly evaluated with the Program Coordinator for Futuros Radiantes/Bright Futures.

Basic Purpose & Objective of the Position:

To ensure the quality of the Futuros Radiantes/Bright Futures program offered through Discovery Cube while fulfilling the mission of inspiring and educating young minds through engaging science based programs and exhibits to create a meaningful impact on the communities we serve.

Primary focus will be teaching the Futuros Radiantes/Bright Futures early learners parent workshops throughout Orange and Los Angeles Counties.

- Conducts Futuros Radiantes/Bright Futures educational parent workshops at various locations throughout Orange and Los Angeles Counties
- Explains science concepts aligned with the Preschool Learning Foundations and Next Generation Science Standards, and math and literacy concepts aligned with the Common Core State Standards (Mathematics and English Language Arts and Literacy) through hands-on activities and demonstrations detailed in the provided lesson plans, while teaching parents how their children are learning
- Assists in maintaining high quality programs
- Assists with recruiting parents
- Assists with translations
- Procures, maintains, and inventories equipment and materials for programs
- Drives to and arrives promptly at all locations
- Maintains a flexible schedule
- Performs other duties as needed (reports/paperwork, etc.)
- Experience working with adults/parents
- Bilingual in Spanish and English, written and spoken (assist with translations)
- Comfortable learning and teaching science concepts
- Excellent written and verbal skills
